

AbitMORE SCM Reporting - Categories

- [<Solutions>](#) |
- [<CMN/ZMF Reporting>](#)

Each of the [built-in reports](#) have been assigned a unique report category, which facilitates the review and use of these reports. These categories have been selected with various types of ChangeMan ZMF users (roles) in mind so that these reports can be reviewed / explored by category (by selecting those categories that best fit with the role of a ChangeMan ZMF user).

Select from the list below for a more detailed description about various built-in reports that fit in the selected category:
