

About Us

- [<About>](#)

Our core competence is Software Configuration Management, especially applied to mainframe environments: that's what we're good at, that's what we're passionate about and that's what we're known for around the world.

AbitMORE SCM's major company divisions are:

- [SCM solutions](#), which includes:
 - R&D and support of our SCM software products.
 - Worldwide sales and marketing of these solutions.
- [SCM services](#) related to the installation, implementation and maintenance of SCM products, such as:
 - Consulting services (onsite or remote).
 - Training and mentoring services.
 - Helpdesk outsourcing (ITIL based).
 - Fixed price/ fixed time projects.
- [SCM Community](#) development.

Most of AbitMORE SCM's expertise is oriented towards the commonly used SCM products in mainframe environments, such as:

- [SERENA ChangeMan ZMF](#) for which AbitMORE is certified by SERENA Software for its expertise in using the Serena XML services for ChangeMan ZMF.

- [CA Endeavor Software Change Manager](#).
