

AbitMORE SCM Consulting

- [<Services>](#) |
- [<SCM Consultancy>](#)

AbitMORE offers consulting services for either [SERENA ChangeMan ZMF](#) or [CA Endeavor Software Change Manager](#), such as:

- Installation and implementation services.
- Conversion and application boarding when starting to use such SCM product.
- Upgrading to a new release of such SCM product.
- Converting from one of these SCM products to another SCM product.

Closely related to these consulting services are:

- Implementing and/or running a [SCM Helpdesk](#).
- Mentoring and training via the [SCM University](#).

These consulting services are typically offered via (traditional) onsite services. However, some of these services are also offered in the format of [eServices](#).
